Board Report Staff Memo

To: Board of Commissioners

From: Phil Steinhaus, CEO

Date: September 18, 2012

RE: Affordable Housing Initiative Report for September 2012

The following is an update on the CHA's Affordable Housing Initiative for the past month. Updates are organized by topic.

Lambeth Apartments Development

Enclosed is a copy of the City Council Resolution for Monday, September 17, 2012 along with my memo to the City Council about the development and the latest site development plan from our architects. We had a long meeting on Thursday night, September 13, 2012, with the neighbors of Lambeth Drive to the north of the Lambeth Apartments site. The meeting went to 11:00 p.m. and resulted with the neighborhood voting to support the project with certain conditions that will help to provide a buffer between our property and their neighborhood.

The application for this proposed development is due to the Missouri Housing Development Commission on Friday, September 21, 2012.

Public Housing Revitalization Planning Process

Phil Steinhaus, Rick Hess, Michele Duffe, and Tim Person participated in the first of a series of public meetings to discuss the CHA's Affordable Housing Initiative. The meeting was sponsored by the Downtown Resident Association and Grass Roots Organizing and was held on Wednesday, July 25. Commissioners Rogers and Stiepleman also attended.

A second public informational meeting was held on Wednesday, August 22, 2012 at 6:30 p.m. at the Columbia Labor Temple, 611 Sexton Road. Phil Steinhaus, Rick Hess, Michele Duffe, and Tim Person participated in the meeting and presented a PowerPoint presentation on current conditions that need to be addressed with the proposed renovations and some sample layout designs for reconfiguring units to make better use of floor space and to address accessibility concerns. The meeting went reasonably well. There were numerous news articles that were generated from the meeting and the petition submitted by Mr. Pryor was discussed.

Additional community meetings and meetings with public housing residents are being planned for the coming months. The planning process for the Lambeth Apartments consumed most of our time this past month.

Strategic Planning Process Update

The strategic planning process is still in the initial stages of forming a framework and an implementation timeline. It will be the focus of the upcoming CHA Board Planning Retreat on October 16, 2012.

Partnership with the City of Columbia and the Columbia Community Development Corporation

We will be continuing discussions with the City of Columbia and the Columbia Community Development Corporation (CCDC) in the coming months about the opportunity to form a partnership for the development of new affordable housing in the City of Columbia with a focus on revitalizing central city neighborhoods.

Introduced by _____ Council Bill No. R 158-12

A RESOLUTION

supporting the Affordable Housing Project on Lambeth Drive proposed by the Columbia Housing Authority and New Horizons Community Support Services, Inc.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The City Council supports the application of the Columbia Housing Authority and New Horizons Community Support Services, Inc. to the Missouri Housing Development Commission for low-income housing tax credits for the proposed Affordable Housing Project on property located at the south end of Lambeth Drive in the City of Columbia.

SECTION 2. The Mayor and the Third Ward Council Member are authorized to send letters of support for the project to the Missouri Housing Development Commission.

ADOPTED this _____ day of _____, 2012.

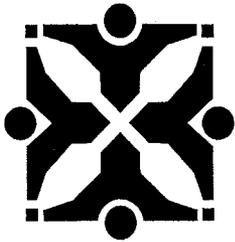

ATTEST:

Council Meeting Date: Sep 17, 2012

Re: Request for City Council Support for the Proposed Affordable Housing Project at the South End of Lambeth Drive

EXECUTIVE SUMMARY:

The Columbia Housing Authority (CHA) and New Horizons Community Support Services, Inc. (New Horizons) have requested the City Council to adopt a resolution supporting their application to the Missouri Housing Development Commission for low-income housing tax credits for the development of an affordable housing project at the South end of Lambeth Drive.

DISCUSSION:

As explained in the attached memo, CHA and New Horizons intend to develop approximately fifty one-bedroom and two-bedroom affordable housing apartments on a 4.35 acre tract located at the South end of Lambeth Drive in the City's Third Ward. (Lambeth Drive is a public street that terminates at the north property line of the subject tract. Currently, a private drive runs from the termination of Lambeth Drive through the subject tract.)

CHA and New Horizons have requested that the Council adopt a resolution supporting their application to the Missouri Housing Development Commission for low-income housing tax credits for the project. They are also requesting the mayor and the third ward council member to send letters of support to the Commission.

FISCAL IMPACT:

None.

VISION IMPACT:

<http://www.gocolumbiamo.com/Council/Meetings/visionimpact.php>

11.2 Goal: A diversity of housing choices will be dispersed throughout the community to achieve an adequate supply of affordable, energy efficient, and accessible housing

SUGGESTED COUNCIL ACTIONS:

Adoption of a resolution supporting the application of CHA and New Horizons for low-income housing tax credits and authorizing the mayor and third ward council member to send letters of support.

RE: Request for a City Council Resolution Supporting an Application to the Missouri Housing Development Commission for Low-Income Housing Tax Credits for the Development of Affordable Housing to be known as Lambeth Apartments

The Columbia Housing Authority and New Horizons Community Support Services, Inc. have formed a partnership to develop new affordable housing apartments on 4.35 acres of land between Clark Lane and the south end of Lambeth Drive. This property is located in Columbia's Third Ward and is zoned C-3 and listed as Commercial property in the Metro 2020 plan.

The Legal Description is: Land in Corporate 1 A W 100 FT E 708.5 FT 4.35 A PT W PT E ½ SW / Deed Book/Page: 3396 0015 0884 0653 0766 0968 0302 0430. See attached map of the site location.

The Columbia Housing Authority and New Horizons Community Support Services, Inc. have obtained site control of this property with the intention to develop approximately forty-seven (47) one and two-bedroom affordable housing apartments. A second phase development of an additional sixteen (16) apartments may be considered in the future, once the first phase is complete and at full occupancy.

The New Horizons portion of the development will include twenty-three (23) one-bedroom apartments that will include on-site supportive services for persons with disabilities. These apartments will be located in one (1) building that will have a single entrance and interior corridors leading to the apartments. New Horizons will staff the building in response to the level of assistance required by the tenants and will have an active, regular presence at the site.

The Columbia Housing Authority portion of the development will include three (3) buildings composed of eight (8) apartments in each building for a total of twenty-four (24) apartments. There will be eight (8) two-bedroom and sixteen (16) one-bedroom apartments.

Agency	Buildings	1 BR	Sq. Ft.	Rent	2 BR	Sq. Ft.	Rent
New Horizons *	1	23	650	\$546	-	-	-
Columbia Housing Authority	1	8	680	\$468	-	-	-
Columbia Housing Authority	1	4	680	\$468	4	900	\$598
Columbia Housing Authority	1	4	680	\$468	4	900	\$598
TOTAL	4	47			8		

* Rent includes all utilities.

The Columbia Housing Authority and New Horizons, with the assistance of the ND Consulting Group of Saint Louis, Missouri, are planning to submit a joint application to the Missouri Housing Development Commission (MHDC) for 9% Low-Income Housing Tax Credits to support the development of this affordable housing project. This housing project will serve low-income individuals and families with household incomes at or below 60% of the Median Family Income (MFI) for the Boone County MSA.

Proposed rents for these apartments would serve people with incomes between 40%-60% MFI.

Number in Household	100% MFI	40% Median Family Income			60% Median Family Income		
		Annual Income	Full-Time Employment	Rent as 30% of Income	Annual Income	Full-Time Employment	Rent as 30% of Income
1	\$46,333	\$18,533	\$8.91/hour	\$463/month	\$27,800	\$13.36/hour	\$695/month
2	\$52,833	\$21,133	\$10.16/hour	\$528/month	\$31,700	\$15.24/hour	\$528/month
3	\$59,500	\$23,800	\$11.44/hour	\$595/month	\$35,700	\$17.16/hour	\$893/month

Rents would remain the same for the one-bedroom (\$468/month) and the two-bedroom (\$598/month) apartments regardless of the number of persons in the household making these units very affordable for anyone with income between 40%-60% MFI.

Low-income households with a Section 8 Housing Choice Voucher will also be accepted. These households have incomes at or below 30% of the MFI. There is a high demand for one-bedroom apartments for persons participating in the Columbia Housing Authority's Section 8 Housing Choice Voucher Program and these new apartments will help address this need. New Horizons has also experienced a high demand for one-bedroom apartments for their clients.

It is highly recommended that support letters from elected city officials be included with our application to the MHDC for low-income housing tax credits. Support from the Mayor and the City Councilperson presiding over the encompassing ward are most important.

The Columbia Housing Authority and New Horizons Community Support Services would like to request that the Columbia City Council adopt the attached City Council Resolution supporting this affordable housing project and authorize the Mayor McDavid and Third Ward City Councilperson Kespohl to offer letters of support for this project.

The affordable housing application for low-income tax credits is due to the Missouri Housing Development Commission on or before September 21, 2012. Notification of awards will be announced by MHDC by the end of calendar year 2012. If this project is selected for an award, construction could begin in six (6) to nine (9) months from the time of award, once the final submission process is complete.

The Columbia Housing Authority, New Horizons Community Support Services, Simon & Associates Architects, and Crockett Engineering are planning to review this proposed project with the residents of the Lambeth Drive neighborhood on Thursday, September 13, 2012. Mr. Gary Kespohl, Third Ward City Councilperson, is also planning to attend this meeting. Comments from residents of Lambeth Drive will be taken into consideration at this meeting and will be shared with the City Council during your consideration of this resolution on Monday, September 17, 2012.

Additional maps, site drawings, and building elevations will also be shared with the City Council at this time after receiving comments from residents of Lambeth Drive.
