

# EARN MORE MONEY

## Get Noticed By Employers

**In just 3 hours, you can earn more money for a lifetime with a National Career Readiness Certificate.**

The National Career Readiness Certificate (NCRC) is a certificate you earn by taking three 1-hour WorkKeys tests that cover workplace skills. Depending on your score on the test, you will be awarded a platinum, gold, silver or bronze level certificate. The certificate shows employers that you have the skills to perform or learn certain jobs. Earning a higher level certificate increases the number and the level of jobs employers will hire you to do. And higher level jobs pay more money, increasing your earning potential for your lifetime.

A few of the Boone County employers that have committed to recognizing the certificate when hiring:
