This law requires that you sign a consent form authorizing: (1) HUD and the Housing Agency/Authority (HA) to request verification of salary and wages from current or previous employers; (2) HUD and the HA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; (3) HUD to request certain tax return information from the U.S. Social Security Administration and the U.S. Internal Revenue Service. The law also requires independent verification of income information. Therefore, HUD or the HA may request information from financial institutions to verify your eligibility and level of benefits.

Purpose: In signing this consent form, you are authorizing HUD and the above-named HA to request income information from the sources listed on the form. HUD and the HA need this information to verify your household's income, in order to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. Information may also be obtained directly from: (a) current and former employers concerning salary and wages and (b) financial institutions concerning unearned income (i.e., interest and dividends). I understand that income information obtained from these sources will be used to verify information that I provide in determining eligibility for assisted housing programs and the level of benefits. Therefore, this consent form only authorizes release directly from employers and financial institutions of information regarding any period(s) within the last 5 years when I have received assisted housing benefits.

Consent: I consent to allow HUD or the HA to request and obtain income information from the sources listed on this form for the purpose of verifying my eligibility and level of benefits under HUD's assisted housing programs. I understand that HAs that receive income information under this consent form cannot use it to deny, reduce or terminate assistance without first independently verifying what the amount was, whether I actually had access to the funds and when the funds were received. PHA's are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

The purpose of this background check is to determine if any family member is currently engaged in, or has engaged in any of the following criminal activities, within the past 5 years:

- *Drug related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with the intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].
- *Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].
- *Criminal activity* that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity;
- *Criminal activity* that may threaten the health or safety of property owners and management staff, and persons performing contract administration functions or other responsibilities on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor, or agent).
- *Criminal sexual conduct*, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse.
- *Immediate vicinity* means within Boone County.

Evidence of such criminal activity includes, but is not limited to any conviction for drug-related or violent criminal activity within the past 5 years; any arrests for drug-related or violent criminal activity within the past 5 years; and any record of eviction from public or privately-owned housing as a result of criminal activity within the past 5 years. A conviction for drug-related or violent criminal activity will be given more weight than an arrest for such activity.

- If any *household* member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine in any federally assisted housing, the family will be denied admission.
- If any *household* member is subject to a lifetime registration requirement under a state sex offender registration program, the family will be denied admission.

By my signature, I give CHA complete authorization to make such background checks as necessary to assure program compliance, eligibility, admission, continued occupancy, and participation in housing assistance programs.

Response to this request for information is required to receive benefits. - Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and
4. Whether or not the PHA has obtained a judgment against you; and
5. Whether or not you have filed for bankruptcy; and
6. The negative reason(s) for your end of participation or any negative status (i.e., abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family’s suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD’s initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA’s name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record. Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD’s EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.
